

## **Three Point Competition for 4th- 8<sup>th</sup> Grade Divisions**

Each team will be allowed two players to participate in the three point competition. A **\$10.00 fee per player** will need to be added to your application. We would encourage you to have your own team in a three point competition and the two winners would qualify for our tournament.

Each Division will play all its games at one gym location. The three point competition will be held between Noon and 1:00 on Saturday at your gym location.

### **The rules are set out below:**

1. Each shooter will have 60 seconds to shoot five balls from three positions around the 3-point line. One position will be stationed at the top of the key and one will be on each wing. **Each shooter may begin at either wing of the court.** The designated shooting spots along the 3-point arc will be marked with tapped X's. The shooter will stand on or behind the marked spot when shooting.
2. The clock will start on the horn.
3. The first four balls at each designated shooting spot are worth one point, and the fifth ball is worth two points. A shooter must have both feet behind the 3-point line when he releases the ball.
4. A shooter's total score is determined by adding the total points he receives for all made baskets from behind the 3-point line.
5. **Tie-Breaker** - When determining the champion, the following tie-breaking procedure will be followed: The first tiebreaker will be the number of money balls each shooter hit in his round. If a tie still exists, the second tiebreaker will be the number of baskets made from the last designated spot. If a tie still exists, proceed backward through the number of designated spots until the tie is broken.
6. All teams will be required to provide their own rebounders.
